Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Career Center Technology Upgrades and Guidance Counselor Support in fiscal year 2022. The entity to receive funding for this project is Kankakee Area Career Center, located at 4083 N 1000 W Road, Bourbonnais, IL 60914. The funding would be used to upgrade equipment and technology related to curriculum and add a professional counselor. The project will focus on four programs for technology/equipment upgrades: Fire-Rescue-Emergency Medical Responder; Certified Nurse Assistant Training and Health Occupations; Engineering and Design; and Automotive Technology. The Career Guidance Counselor will serve students in 12 occupational programs.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robin L. Kelly
Member of Congress
