Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Environmental Infrastructure - Cook County** in fiscal year 2023. The entity to receive funding for this project is the Army Corps of Engineers, located at 231 S LaSalle St Unit 1500, Chicago, IL 60604. This project would fund needed water infrastructure projects on Chicago's South Side related, but not limited, to development and protection of water supply and waste water systems, combined sewer overflows, and remediation of adverse water quality impacts and storm water impacts to waste water systems.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robin L. Kelly  
Member of Congress
