Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Maternal Child Health + Wellness Center** in fiscal year 2023. The entity to receive funding for this project is the Family Christian Health Center, located at 31 W 155th Street, Harvey, IL 60426. The funding would be used for funding the purchase of an ultrasound for use on high-risk pregnancies to support the provision of Level II prenatal care provided by UCM Maternal Fetal Medicine Specialists at FCHC's Maternal Child Health + Wellness Center. It will fund specialists who will provide on-going care of women and complete obstetric ultrasound interpretation at the Center and a 1.0 FTE Ultrasound Technician to complete the screenings, one year of screening readings, and equipment related IT and maintenance costs. In addition, the ultrasound services will be made available to other local providers in need of Level II ultrasound screenings and readings.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robin L. Kelly
Member of Congress
