The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Daycare Lead Service Line Replacement Project – Chicago, IL, in fiscal year 2025. The entity to receive funding for this project is City of Chicago Department of Water Management, located at 3901 S Ashland Ave, Chicago, IL 60609. The funding would be used to help with the removal of lead service lines in licensed daycare centers. The project is an appropriate use of taxpayer funds because this funding would eliminate lead service lines that are the source of lead contamination.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(1), 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robin L. Kelly
Member of Congress
