The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Village of Dwight's Public Works Complex, Dwight, IL, project in fiscal year 2025. The entity to receive funding for this project is the Village of Dwight, located at 209 S Prairie Ave, Dwight, IL 60420. The funding would be used for helping to rebuild and renovate the Public Works complex, which was partially destroyed by a fire in 2023. Specifically, these renovations would include additional space for a proper office area, a lunch and break room, and upgrades to the complex's secondary building.

The project has a federal nexus because it is authorized under section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a) (Public Law 109-171).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robin L. Kelly
Member of Congress
