Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Streetlight Improvement Project** in fiscal year 2023. The entity to receive funding for this project is the City of Harvey, located at 15320 Broadway Ave, Harvey, IL 60426. This project will fund 625 streetlights that do not function correctly. The lack of sufficient road and pedestrian-scaled lighting poses a threat to public safety, reduces visibility, and is an impediment to City's economic and community revitalization efforts. This funding will bring the City's existing streetlights back to full operating condition and reduce crime.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robin L. Kelly  
Member of Congress
