Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Promontory Point Study** in fiscal year 2023. The entity to receive funding for this project is the Chicago Park District, located at 541 North Fairbanks, 7th Floor, Chicago, IL 60611, Chicago, IL 60615. This project is already authorized by the USACE, and would include an independent third party study to determine a preferred preservation approach for the design of Promontory Point Shoreline Protection Project with the U.S. Army Corps of Engineers.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robin L. Kelly  
Member of Congress
