The Honorable Kay Granger  
Chairwoman  
Committee on Appropriations  
H-307, The Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the City of Danville Madison Neighborhood Revitalization Project – Danville, IL, in fiscal year 2024. The entity to receive funding for this project is City of Danville, located at 17 W. Main Street, Danville, IL 61832. The funding would be used to revitalize the Madison Neighborhood to provide better qualities of housing and infrastructure, remove blight, and more-accessible public services to increase the quality of life and economic productivity of the area. The project is an appropriate use of taxpayer funds because these efforts are expected to create numerous positive outcomes for the city, such as improvement of the quality of life, job creation, and economic growth and development.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2) and 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robin L. Kelly  
Member of Congress
