Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **Psychiatry Living Room Model** in fiscal year 2023. The entity to receive funding for this project is the Riverside Medical Center, located at 350 North Wall Street, Kankakee, IL 60901. The funding would be used for building a less-restrictive living room model that would provide a group-home age and gender appropriate living structure, allowing children to lead more normal lives, in an adjacent pediatric hospital unit.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robin L. Kelly
Member of Congress
