Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for **South Shore Hospital Corp Capital Improvements** in fiscal year 2023. The entity to receive funding for this project is the South Shore Hospital Corporation, located at 8012 South Crandon Avenue, Chicago, IL 60617. The funding would be used for three pressing needs directly affecting patient safety and security. First, the hospital's four elevators are over 40 years old and beyond repairs that guarantee patient and visitor safety. Second, IT security updates and equipment are needed to enhance and improve the hospital's ability to protect and secure patient personal, insurance, and diagnosis information. Third, security cameras for the protection of inpatients/outpatients, visitors and others inside and outside of the hospital.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Robin L. Kelly
Member of Congress
