IN THE HOUSE OF REPRESENTATIVES

Ms. KELLY of Illinois introduced the following bill; which was referred to the Committee on _____

A BILL

To establish an Interagency Task Force to examine the conditions and experiences of Black women and girls in education, economic development, healthcare, labor and employment, housing, justice and civil rights, to promote community-based methods for mitigating and addressing harm and ensuring accountability, and to study societal effects on Black women and girls, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Protect Black Women
3 and Girls Act”.

4 **SEC. 2. FINDINGS.**

5 Congress finds as follows:

6 (1) The United States Commission on Civil
7 Rights (USCCR) advises Congress, as well as the
8 President and the American public, on “discrimina-
9 tion or denials of equal protection of the laws under
10 the Constitution of the United States because of
11 color, race, religion, sex, age, disability, or national
12 origin, or in the administration of justice”.

13 (2) The USCCR routinely has difficulties col-
14 lecting information from Federal agencies despite
15 having the power to take depositions, issue interroga-
16 tories and subpoenas, and broad authority language
17 for the collection of information from Federal agen-
18 cies.

19 (3) The activities mandated herein for the
20 USCCR are explicitly authorized by section 3 of the
21 Civil Rights Commission Act of 1983 (42 U.S.C.
22 1975a).

23 (4) An interagency task force is a task force or-
24 ganized in collaboration with two or more Federal
25 agencies, using government-wide resources, and ex-
26 pertise to—

1 (A) examine a particular problem, issue, or
2 event;

3 (B) discuss strategies as a collective group
4 to address such problem, issue, or event;

5 (C) identify programs, policies, and fund-
6 ing; and

7 (D) make recommendations for changes in
8 public policy.

9 (5) Black women and girls are individuals who
10 identify as a woman, female, or femme.

11 (6) Implicit bias on the basis of race is experi-
12 enced by all Black people, and demonstrated more
13 clearly, in the troubling conditions for Black women
14 and girls in our school discipline policies and the
15 connections to the school-to-prison pipeline for chil-
16 dren of color with disabilities.

17 (7) Black girls are suspended and expelled from
18 school at rates that exceed other girls and all other
19 boys except Black boys.

20 (8) 40 percent of all suspected human traf-
21 ficking victims in the U.S. are Black, and Black
22 children account for nearly 51 percent of all juvenile
23 prostitution arrests.

1 (9) In studying the conditions of confinement
2 for women in prison, Black women are admitted to
3 prison at 3.9 times the rate of White women.

4 **SEC. 3. INTERAGENCY TASK FORCE ON BLACK WOMEN AND**
5 **GIRLS.**

7 the date of enactment of this Act, the Attorney General,
