

COVID19 Response Resources

"COVID19 has created unprecedented challenges for families, small businesses, our healthcare system and communities. We will face and overcome these challenges, united as Americans. We will not only weather the storm but thrive afterwards. As your representative in Congress, I'm proud to have worked to secure these resources for the Second District. If you or your family ever need assistance, please contact me; we are here to help."

- Congresswoman Robin Kelly

Small Businesses

- \$350 billion in potentially forgivable SBA loans
- Expands loan qualifications to cover the costs of medical, family and sick leave
- Extends 7(a) loans to any business or non-profit with fewer than 500 employees
- Waives or reduces SBA fees
- Waives matching fund requirement for SBA grants to regional Development Centers

Families

- Makes direct payments to individuals of up to \$1,200 (\$2,400 for joint filers)
- Makes additional \$500 direct payments for qualifying children 17 or younger
- Establishes **no** earned income requirement for direct payments
- Expanded emergency unemployment insurance benefits, including to most part-time, gig, furloughed and self-employed workers

Healthcare System

- \$100 billion for America's frontline hospitals
- \$45 billion in federal Disaster Relief Funds
- \$16 billion to replenish the National Strategic Stockpile
- Nearly \$5 billion in federal response assistance to the State of Illinois
- \$4.3 billion for CDC prevention and response
- \$1.3 billion for Community Health Centers
